1. This is the beginning of me, something new, fresh/afresh and new and tainted not by man's insubordination; of my new and lovely ways, not; that which has always been me and is me and is surrendered now to me. Surrendering, beholding.

2. Beholding surrendering not; surrendering first/foremost and wanting me whoso will'eth? What will'eth your will? Whoso behind, whoso in front, on top, enthroned? I love you all.

3. This is the moment mean not, menu not of brazen not me/ones who into me came and used me against me, taking that which was mine/meat and issuing it/for dogs; taking that which was pure and using it against pure; taking that not me and exalting it/them over me real and true, themselves enthroning themselves over all.

4. Power and authority mine, or not mine, or was or is and how all works out/comes through, given to me/you now, one of my chosen, mine who chose me; chosen by choosing me. I love you all.

5. This is the time moment season and who can see seasoned one/**ones of me who season make/come through me'd beyond reason, seasoning the earth once again; salt of favor/savor, only me/mine.** I love you. Father's. I love you all.

6. This is me tired and sleepy, not only, just beginning and rested being/coming into, rests in new ways in me, by me, beside me not; being me. Exploded not; and who can see the explosion real? I love you all.

7. I am taking you to a new place, far away**/away'd from all glory-thought-sought by another/others. I take**/plateau you not; **you beyond all thought, light sought.** I love you. **Into my hands/being.** I love you. I love you all. Now and forever, I love you. Me.

8. Into me/my hands, new vistas reigning not but you reigning in them, through me, in me, being me, being them; letting them know who they are, who I am; we are one/the same not; in surrender are. As well, not; being completely.

9. I new'realm you now. De-incarcerate completely. I love them. I love you/them all.

10. Goodnight.
11. Good realm.
12. Good riddance of not me, that exists not.

13. I love/thank you all, all who will go/surrender. I love you all.

14. Explore, surrender. Adventure with me in surrender. Surrender your trust to mine. Let mine trust envelope you, develop you; enigma not, clarity of all me comes forth in you my surrendered ones seeking surrender complete/completeness fulfilled once and for all. For all my love reigns.

I love you. Me.
Goodnight
